DESCRIPTION

Torch Pendant by **Sylvain Willenz** for **Established + Sons**.

A variety of non-domestic, yet familiar and functional forms of lighting inspired Sylvain Willenz's design - Torchlight owes elements of its form to the typical torch and car headlight. PVC dipped polymer gives a tactile finish, referencing the handheld nature of a torch, whilst light shines through a clear, diamond textured polycarbonate diffuser.

The Torch pendant light, designed in 2008, comes in three models: Cone Small, Cone Large and Round Small, and in black, red and yellow.
