DESCRIPTION

Traverse Table | Square by **Erwan Bouroullec** for **HAY**.

The Traverse Table is an outdoor dining table featuring a sturdy die-cast aluminium frame and a slatted tabletop made from heat-treated ash. The wood was selected for its durability and the distinctive patina it forms, permitting each piece to grow more beautiful over time.

Launched by HAY in 2025, the table is part of a collection created with versatility in mind. Ideal for both residential and commercial spaces, the pieces seamlessly blend with their surroundings.

Pair the table with the Traverse chair or armchair for the ultimate outdoor dining experience.

All pieces in the collection are flat-packed for customer assembly, helping to reduce the carbon footprint.

DIMENSIONS

75w x 75d x 74cmh

MATERIALS

The frame is made from shot-blasted diecast 60% recycled aluminium with outdoor lacquer.

Slats made from heat treated solid ash with outdoor wood wax oil. The colour of the slats will develop a silvery-grey patina over time.

100% recycled black gliders.

Please note: that this product arrives flat-packed and requires assembly. If you would like it to be assembled for you, please contact us here for an installation quote.
