DESCRIPTION

Tupla Wall Hook by **Ronan + Erwan Bouroullec** for **Artek**.

The Tupla Wall Hook was created to mimic a line drawing, translated into a three dimensional object. Not just a simple tool, this linear piece adds simplicity and style to any wall with the additional function as a storage piece. Tupla designed in 2020, means “double” in Finnish, named after its two loops.

DIMENSIONS

3w x 13.5d x 31cmh

MATERIALS

Zinc die-cast, matt black powder coating.

Screws and dowels for concrete and brick walls are included.
