

## U1 Classic Watch

£575

### DESCRIPTION

**U1 Classic Watch by Unimatic.**

Crafted in Italy from solid stainless steel, the Unimatic U1 Classic showcases a timeless design with its matte black dial and nylon strap. Each timepiece is equipped with Super-LumiNova® C3 pale green hands and features double-domed, anti-reflective sapphire crystal glass, ensuring superior visibility in all lighting conditions.

This watch combines elegant style with impressive functionality, offering water resistance up to 300m and precise timekeeping thanks to the NH35A automatic movement, calibrated to 21600 bph for outstanding performance.

The face back features Unimatic's unique 'Rosa dei venti' diagram and is individually numbered, making every piece truly distinctive.
