

U2 Classic Watch

£465

DESCRIPTION

U2 Classic Watch by Unimatic.

Made in Italy from solid stainless steel, the U2 Classic from Unimatic channels a timeless aesthetic with its black matte dial. Each watch features Super-LumiNova® C3 pale green hands and double-domed, anti-reflective, sapphire crystal glass for optimal performance in all light conditions.

This timepiece offers an elegant design while boasting water resistance up to 300m and precise timekeeping with the NH35A automatic movement, calibrated to 21600bph for exceptional functionality.

The watch back has Unimatic's distinct 'Rosa dei venti' diagram and is individually numbered, making each piece one of a kind.
