DESCRIPTION

Haller E M59 Media Unit by **Fritz Haller & Paul Schaerer** for **USM**.

The Haller E M59 media unit is a high-end media storage system that harmonises with any interior. Its sleek, technical structure serves as a platform for your multimedia devices. The rear-facing lights add a touch of ambience, making it an ideal choice for unwinding in front of the television during cosy evenings. This unit comes fully assembled and features two convenient drop-down doors, a divider shelf, a cable cut-out, and warm dimmable lights, enhancing your media experience.

Constructed from robust powder-coated steel and chrome-plated steel tubes, the USM Haller system, designed in 1963, is built to withstand the test of time, adapting to your changing requirements throughout generations. Customise and expand the Haller system according to your preferences, with options like doors, drawers, filing systems, wheels, and various internal fittings.
