DESCRIPTION

Haller M61 Media Unit by Fritz Haller & Paul Schaerer for USM.

Introducing the Haller M61 Media Unit—a chic lowboard designed to elevate your multimedia experience, adding a touch of allure and cosiness to your living room. Unlike conventional TV units, this media unit boasts a sleek, space-saving design that avoids making your room feel cramped. Its practical castors provide ultimate flexibility, allowing you to easily move it around as needed.

Equipped with two convenient drop-down doors, a divider shelf, and a cable cut-out on castors, this media unit offers seamless organization and easy cable management. Best of all, it arrives fully assembled, saving you time and effort. Upgrade your living room with the Haller M61 media unit and enjoy both style and functionality in one elegant package.

Constructed from robust powder-coated steel and chrome-plated steel tubes, the USM Haller system was designed in 1963. The system is built to withstand the test of time, adapting to your changing requirements throughout generations. Customize and expand the Haller system according to your preferences, with options like doors, drawers, filing systems, wheels, and various internal fittings.
