### DESCRIPTION

**Haller M57 World of Plants Sideboard by Fritz Haller & Paul Schaerer for USM.**

Bring the green indoors with the USM sideboard with integrated plant accessories. Utilize your USM Haller sideboard in a whole new way by displaying your favourite plants directly within your furniture. This innovative design not only provides ample storage space for your belongings but also transforms into a captivating green eye-catcher in your home.

Alongside the practicality of storage and shelves for books, photos, or decorations, this timeless design classic becomes a centrepiece of greenery in your living space. The plant accessories feature two pots, perfect for showcasing your indoor plants, and each pot comes with a dedicated watering set to ensure even hydration for your plants. Please note that plants and substrates are not included.

The USM Sideboard with Integrated Plant Accessories arrives fully assembled, ready to enhance your living space with a blend of functionality and natural beauty.

Constructed from robust powder-coated steel and chrome-plated steel tubes, the USM Haller system was designed in 1963. The system is built to withstand the test of time, adapting to your changing requirements throughout

generations. Customize and expand the Haller system according to your preferences, with options like doors, drawers, filing systems, wheels, and various internal fittings.
