DESCRIPTION

Haller M63 Pedestal by **Fritz Haller & Paul Schaerer** for **USM**.

The USM Haller M63 mobile pedestal represents a versatile storage solution that effortlessly harmonizes with your office environment. It complements your workspace and elevates it by furnishing substantial under-desk storage. The pedestal comes with three drawers of varying sizes: 100 mm, equipped with a drawer organizer, 175 mm, and 250 mm. It also features a counterweight and castors for stability and mobility. This unit arrives fully assembled for your convenience.

Constructed from robust powder-coated steel and chrome-plated steel tubes, the USM Haller system was designed in 1963. The system is built to withstand the test of time, adapting to your changing requirements throughout generations. Customize and expand the Haller system according to your preferences, with options like doors, drawers, filing systems, wheels, and various internal fittings.
