DESCRIPTION

012 Kolmio Dining Table by **Cecilie Manz** for **Vaarnii**.

The Kolmio Dining Table showcases Vaarnii's signature brutal yet sophisticated aesthetic. Designed by Danish designer Cecilie Manz, the table is crafted from 100% Finnish pine wood and has been formed by sandwiching an internal layer of offcut pine between immaculate pine planks. The result is a sturdy tabletop that displays the beautiful grains of pine in great expanses.

Staying true to Vaarnii's honest approach to design, the Scandinavian design dining table displays its unique construction rather than concealing it.

The Dining table is hardwearing and is designed for everyday use, and is best paired with the matching Kolmio Bench.

MATERIALS

Once a popular material amongst Finnish artisans, Vaarnii wants to revive the use of Pine Wood within furniture construction.

The pine wood is harvested from sustainably managed Finnish forests, is PEFC certified and slow grown, finished with a stain-resistant, transparent, matte oil wax.

As a result of the naturally occurring oils and resins in the wood, pine develops a rich honey colour over time.

Please note: due to the soft nature of pinewood, the material is prone to developing scratches and dents. Vaarnii believes these markings are to be celebrated and viewed as building to the uniqueness and charm of the product.
