Ex-display items have some signs of use and we recommend a detailed condition report prior to purchase.

This item is a one-off ex-display item to be sold on a first-order, first-served basis.

A part of Vaarnii's inaugural collection that explores the enticing qualities of Finnish pinewood, the 001 Bar Stool, like the other products in the range, is characterised by its hardy silhouette and strong grain pattern.

The stool is composed of several hefty blocks of wood, joined together at mostly 90-degree angles, giving the seat a primal quality. The stool's footrest has been reinforced with a plate in rose gold, which complements the wood's natural yellow tone.

Despite its burly appearance, the stool offers exceptional comfort. It has been astutely designed with gentle curves on the seat and backrest and a groove under the front lip to allow for easy movement.

MATERIALS

Once a popular material amongst Finnish artisans, Vaarnii wants to revive the use of Pine Wood within furniture construction.

The pine wood is harvested from sustainably managed Finnish forests, is PEFC certified and slow grown, finished with a stain-resistant, transparent, matte oil wax.

As a result of the naturally occurring oils and resins in the wood, pine develops a rich honey colour over time.

Please note: due to the soft nature of pinewood, the material is prone to developing scratches and dents. Vaarnii believes these markings are to be celebrated and viewed as building to the uniqueness and charm of the product.
