DESCRIPTION

001 Dining Chair by **Fredrik Paulsen** for **Vaarnii**.

Characterised by its distinctively burly profile, the 001 Dining Chair has been expertly crafted from Finnish pinewood. The large surface areas of the chair show the lively grain of the timber, which Paulsen describes as "psychedelic".

Despite its solid appearance, the chair offers exceptional comfort. It has been astutely designed with gentle curves on the seat and backrest and a groove under the front lip to allow for easy movement..

MATERIALS

Once a popular material amongst Finnish artisans, Vaarnii wants to revive the use of Pine Wood within furniture construction.

The pine wood is harvested from sustainably managed Finnish forests, is PEFC certified and slow grown, finished with a stain-resistant, transparent, matte oil wax.

As a result of the naturally occurring oils and resins in the wood, pine develops a rich honey colour over time.

Please note: due to the soft nature of pinewood, the material is prone to developing scratches and dents. Vaarnii believes these markings are to be celebrated and viewed as building to the uniqueness and charm of the product.
