MATERIALS

Once a popular material amongst Finnish artisans, Vaarnii strives to revive the use of Pine Wood within furniture construction.

The pine wood used is harvested from sustainably managed Finnish forests, is PEFC certified and slow grown, finished with a stain-resistant, transparent, matte oil wax.

As a result of the naturally occurring oils and resins in the wood, pine develops a rich honey colour over time.

Please note: due to the soft nature of pinewood, the material is prone to developing scratches and dents. Vaarnii believes these markings are to be celebrated and viewed as building to the uniqueness and charm of the product.

Suitable for indoor use only.
