Designer: **Fredrik Paulsen**

Manufacturer: **Vaarnii**

~~Was £970~~ Now £824

### DESCRIPTION

**002 Dining Table Round** by **Fredrik Paulsen** for **Vaarnii**.

The 002 Dining Table is a primitive, solid design that appears visually heavy at first. Its rounded table top, which stands on a sturdy base made from horizontal and vertical lines, provides a softness to the table.

The table is part of Vaarnii's first collection and the second design by Frederik Paulsen. It has been designed to pair with the equally bold 001 Dining Chairs.

### DIMENSIONS

100dia x 72cmh

### MATERIALS

Once a popular material amongst Finish artisans, Vaarnii wants to revive the use of Pine Wood within furniture construction.

Their inaugural collection is made entirely from FSC certified, sustainably grown Scots Pine, finished with a stain-resistant, transparent, matte oil wax.

As a result of the naturally occurring oils and resins in the wood, pine develops a rich honey colour over time.

**Please note:** due to the soft nature of pinewood, the material is prone to developing scratches and dents. Vaarnii believes these markings are to be celebrated and viewed as building to the uniqueness and charm of the product.
