

## 013 Osa Outdoor Dining Chair

Designer: **Henrik Tjaerby**

Manufacturer: **Vaarnii**

£530

### DESCRIPTION

**013 Osa Outdoor Dining Chair** by **Henrik Tjaerby** for **Vaarnii**.

For their first outdoor range, Vaarnii collaborated with Finnish designer Henrik Tjaerby to create the Osa Outdoor collection.

The 013 Osa Outdoor Dining Chair has been designed to complement the 013 Osa Dining Table and Bench, sharing their proportions and distinctive seating planks while introducing flexible seating possibilities.

Crafted from heat treated Finnish pine wood, the Osa Dining Chair is an enduring and reliable seat designed to withstand the harshest conditions for seasons to come.

### DIMENSIONS

48w x 48d x 76cmh

### MATERIALS

Osa is crafted from Lunawood ThermoWood®, a heat and steam treated pine. The process ensures the wood is weather-resistant, dimensionally stable and 100% chemical-free.

The wood is PEFC certified and slow grown, finished with a stain-resistant, transparent, matte oil wax.

Please note that the wood will develop a silver tone when exposed to UV light.
