Designer: **Kwangho Lee**

Manufacturer: **Vaarnii**

£3,800

DESCRIPTION

006 AA Bench by **Kwangho Lee** for **Vaarnii**.

A blunt and honest representation of raw pine, the AA Bench comprises three parts: a whole pine log, a horizontal flat seat, and an inverted V base.

Paired-back in its appearance, this striking bench has been meticulously crafted and finished, displaying Vaarnii's signature double-dowel motif.

The design is true to the work of Kwangho Lee, who explores material connections within his work.

Due to the nature and heft of the pine, the log will begin to split over time, adding a unique individuality to each bench.

MATERIALS

Once a popular material amongst Finnish artisans, Vaarnii wants to revive the use of Pine Wood within furniture construction.

The pine wood is harvested from sustainably managed Finnish forests, is PEFC certified and slow grown, finished with a stain-resistant, transparent, matte oil wax.

As a result of the naturally occurring oils and resins in the wood, pine develops a rich honey colour over time.

Please note: due to the soft nature of pinewood, the material is prone to developing scratches and dents. Vaarnii believes these markings are to be celebrated and viewed as building to the uniqueness and charm of the product.
