DESCRIPTION

016 Maasto Dining Armchair by **Ronan Bouroullec** for **Vaarnii**.

The 016 Maasto range presents Vaarnii's first exploration into using composite wood. Designed by Ronan Bouroullec, the 016 Maasto Dining Armchair celebrates the character of Finnish pine in the form of both solid wood and veneer.

Featuring the same solid pine sloped back and curved seat as the dining chair, the plywood sides of the Maasto Armchair seamlessly extend into armrests for further comfort.

The introduction of pine plywood provides a lightness to the chair's simple frame that contrasts the rich grain of the material.

DIMENSIONS

MATERIALS

Backrest and and seat in solid Finnish pine, sides and arms in Finnish pine plywood produced by Vaarnii.

The pine wood is harvested from sustainably managed Finnish forests, is PEFC certified and slow grown, finished with a stain-resistant, transparent, matte oil wax.

As a result of the naturally occurring oils and resins in the wood, pine develops a rich honey colour over time.

Please note: due to the soft nature of pinewood, the material is prone to developing scratches and dents. Vaarnii believes these markings are to be celebrated and viewed as building to the uniqueness and charm of the product.
