DESCRIPTION

Ceiling Lamp No.4 by **Muller Van Severen** for **Valerie Objects**.

To celebrate Valerie Objects' fifth anniversary in 2020, Muller Van Severen expanded their collection of ceiling lamps to include No. 4 and No.5. They shared the minimalist aesthetic of the rest of the family but with added fluidity.

Meticulously crafted from bent lacquered steel, the ceiling light is redolent of a garland. It introduces a playful, subtle touch of colour to the space and is complete with an archetypal lampshade based on one the couple found at a flea market.

The collection includes five different designs available in various colours.
