Manufacturer: **Valerie Objects**

DESCRIPTION

Hanging Lamp No.5 by **Muller Van Severen** for **Valerie Objects**.

Muller Van Severen's first design, the Hanging Lamp was born out of necessity. When the design duo wanted to install a light source above a table in their home, they realised they couldn't due to a lack of sockets. Instead, they decided to install an extending wall light near the table.

The Hanging Lamps add a minimalist but colourful touch to the interior, featuring a "neutral" lampshade based on the one they used in their own home, which initially came from a flea market.

The lamps come in five different designs and are available in various colours.
