

Verner Panton book, 1986

£35

DESCRIPTION

Verner Panton, by Niels-Jorgen Kaiser.

twentytwentyone have a small quantity of unused Verner Panton books from the first edition published in 1986. The book was designed with Verner Panton and was launched on his 60th birthday. This was the first overview of his work. It includes interviews and imagery from Panton's archive. The hole through the cover was to carry and hang the book. It is a numbered edition of 10,000. A second edition of 5,000 was published in 1998 and also sold out.
