DESCRIPTION

Pantop Table Lamp by **Verner Panton** for **Verpan**.

The Pantop Table lamp, designed by Verner Panton in 1980, features a bell-shaped shade that elegantly flares outwards to produce a combination of ambient and practical lighting. The lamp's decorative and refined design makes it a timeless addition to the Verpan collection.

The table lamp fits perfectly on a window sill, bookcase, or counter and is available in an array of contemporary colours. Each brings its personality to the collection, making the pendant adaptable to any interior style.

The Pantop is also available as a portable table lamp or a pendant.
