

Wire Table Lamp, 1972

Designer: **Verner Panton**

Manufacturer: **Verpan**

£480

DESCRIPTION

Wire table lamp by **Verner Panton** for **Verpan**.

The Wire table lamp is a unique light composed of a chromed-steel wire frame that supports a hemispherical shade that softly diffuses the light to create an atmospheric and ambient feeling in any space.

The frame gives this lamp a light and non-intrusive appearance and works brilliantly with the white shade.
