~~Was £408~~ Now £346

DESCRIPTION

HD chair stacking by **John Tree** for **Very Good and Proper**.

The HD chair was designed in response to the growing trend for flexible work and living spaces. The seat and back are formed of ergonomically moulded plywood to provide ample support to the sitter. Mounted on rubber bushings, the seat and back respond to the movements of the body, improving comfort over extended periods of sitting.

DIMENSIONS

47.4w x 49.8d x 45.5/80.1cmh

MATERIALS

The plywood seat and back are available in beech veneer or light oak veneer. Please enquire for chair with signal red lacquer or graphite lacquer finish.

The HD chair has a four-legged stackable frame in a range of colour options. Please refer to the VG&P Metal Colours pdf in product downloads for further details on base finishes.

Stackable to 4 chairs high.

Very Good and Proper are members of FISP (Furniture Industry Sustainability Programme).
