

Pino Super Stacker chair

Designer: **John Tree**

Manufacturer: **Very Good and Proper**

£409

DESCRIPTION

Pino Super Stacker chair by **John Tree** for **Very Good and Proper**.

The Pino Super Stacker is a stacking chair with a sleek oak plywood shell and sturdy steel base. It can be stacked up to 15 chairs high, and its base comes in two different colours. The chair's single-ply shell provides comfort, durability, and longevity, while the bases can be linked together to create a stable row of chairs, making it suitable for a variety of settings, such as offices, schools, and conference rooms.

If interested, please inquire about the custom movable trolley.

DIMENSIONS

46.7w x 49.5d x 45.5/77.5cmh

MATERIALS

The light oak plywood seat and back.

Frame in either Grey White or Graphite colour options. Please refer to the VG&P Metal Colours pdf in product downloads for further details on base finishes.

The chairs can be stacked up to 15 high without the trolley and up to 20 high using the custom movable trolley.

Very Good and Proper are members of FISP (Furniture Industry Sustainability Programme).
