

## Vidun table

Designer: **Vico Magistretti**

Manufacturer: **De Padova**

£3,307

## DESCRIPTION

**Vidun table**, designed by **Vico Magistretti** for **De Padova**.

Designed in 1987, the Vidun is one of Vico Magistretti's most recognisable works. The Vidun table has a sleek aesthetic, combining the interlocking of pieces, which reflects its title 'vidun' which translates to big screw in Milanese.

"It is always the conceptual detail that attracts people's attention", said Vico Magistretti.

The Vico is available in a rectangular or round shape, with a range coordinated base colours.

## DIMENSIONS

Rectangular: 200w x 100d x 63/80cmh

Rectangular: 250w x 120d x 63/80cmh

Round: 130dia x 63/80cmh

Round: 140dia x 63/80cmh

## MATERIALS

Top made from extra-clear tempered glasss, 12mm thick, with polished edge.

Base available in 6 variants:

Solid Canaletto walnut, finished with transparent water-based or solvent-based paint

Solid natural beechwood finished with transparent water-based or solvent-based paint - in black or white lacquered

Aniline-dyed (violet-turquoise-green or red yellow-goose beak yellow), finished with transparent water-based or solvent-based paint.

Please note the round tables have one base; and the rectangle tables come with two bases.
