

Wooden Fish dolls, 1953

Designer: **Alexander Girard**

Manufacturer: **Vitra**

£145

DESCRIPTION

Mother Fish & Child doll by Alexander Girard for Vitra.

Girard's decorative handpainted dolls inspired by the folk arts of South America, Asia and Eastern Europe were originally designed for his own home in Santa Fe.

For other designs in Girard's family of dolls, see 'More products in the range' below.

DIMENSIONS

18w x 5.2d x 3.3cmh

MATERIALS

The Mother Fish & Child doll is fashioned from solid fir wood, painted by hand, and weighted with a metal weight in the body.

Set contains a large fish and small fish within a high-quality wooden gift box.
