Designer: **Antonio Citterio**

Manufacturer: **Vitra**

£4,460

DESCRIPTION

Repos lounge chair by Antonio Citterio for Vitra.

With its generous padding, inviting armrests and high back, the Grand Repos visually exudes the kind of comfort that only a large, swivel lounge chair can offer. It has a higher backrest and an expressive wing chair element to further enhance this sense of comfort. A concealed mechanism holds the chair in position across its full range of motion.

The chair comes with removable covers in fabric or leather, elongating the lifespan of the chair. The plastic mass used in the body of the chair is now made from 95% recycled material. The Repos lounge chair is an icon rejuvenated.
