Mariposa 2.5-seat sofa, 2014

Designer:**Barber Osgerby**

Manufacturer:**Vitra**

£5,690

DESCRIPTION

Mariposa 2.5 seat sofa by **Barber Osgerby** for **Vitra**.

The Mariposa range of sofas, a love seat and ottomans radiates an inviting aura of spacious comfort – and yet maintains a subtly understated presence thanks to its balanced proportions.

The Mariposa collection owes its extraordinary comfort, on the one hand, to the pleasantly soft upholstery, which completely surrounds the sitter and prevents contact with any hard structural elements. On the other hand, an ingenious adjustment mechanism makes it possible to individually tilt the side and backrest elements for various sitting or reclining positions.

With these special features, the Mariposa sofa range offers an inviting place to prop up your feet and relax. The Mariposa range includes sofas in three sizes, a love seat and ottomans in two sizes.

DIMENSIONS

171/241w x 115d x 28/87.5cmh

MATERIALS

Webbed metal frame with polyurethane foam. Polyurethane and visco foam cushions with chamber cushion overlay. Chamber cushion overlay filled with stripped-quil feathers, PU rods and viscoelastic rods. Glides in plastic.

Removable covers are available in **Olimpo, Volo, Dumet, Iroko, Aura, Reed, Credo or Moss fabrics** from the Vitra collection. Fabric samples may be viewed at our shop and showroom, or click on the pdf in the downloads section for fabric colours available.
