DESCRIPTION

Soft Pad Chaise ES 106 by **Charles & Ray Eames** for **Vitra**.

Designed originally by Charles and Ray Eames for their long-time friend, the film director Billy Wilder. This was following the film director's request for a recliner that would allow him to take quick naps between shoots. Featuring softly padded cushions and leather upholstery, the chaise lounge provides a comfortable spot to lie down and relax.

Herman Miller has the sole license for the Charles and Ray Eames collection in the U.S. and the Far East. Therefore the export of these products from the UK to the U.S. is not possible.
