DESCRIPTION

Eames 670 lounge chair & ottoman - Black ash by **Charles & Ray Eames** for **Vitra.**

Since 1956, the Eames Lounge chair has combined ultimate comfort with the highest quality materials and workmanship. Charles and Ray Eames were inspired by the traditional British club chair.

In addition to the classic option contrasting cherry, Santos palisander or black-pigmented walnut shell with black leather seat, Vitra recently collaborated with the Eames Office to produce two new versions: a **white leather** version for light interiors and an all-black version.

In addition, this iconic chair is now available in a new dimension which increases the seat depth and back height to suit a taller frame.

Herman Miller has the sole license for the Charles and Ray Eames collection in the U.S. and the Far East. Therefore the export of these products from the UK to the U.S. is not possible.

For more information please contact Herman Miller.

The Vitra original selection offers a 10-year warranty.
