

Eames DAL armchair, 1950

Designer: **Charles and Ray Eames**

Manufacturer: **Vitra**

~~Was £650~~ Now £552

DESCRIPTION

Eames DAL armchair by Charles & Ray Eames for Vitra.

Plastic Armchairs were first presented as part of a New York Museum of Modern Art competition, "Low Cost Furniture Design". Their organically shaped plastic seat shells were later combined with various different bases and manufactured in their millions. In their latest version made of polypropylene, the armchairs now offer even greater sitting comfort.

DAL = Dining Height Armchair La Fonda Base

Herman Miller has the sole license for the Charles and Ray Eames collection in the U.S. and the Far East. Therefore the export of these products from the UK to the U.S. is not possible.

For more information please contact Herman Miller.

The Vitra original selection offers a 10-year warranty.
