

Eames EA 101 chair, 1958

Designer: **Charles and Ray Eames**

Manufacturer: **Vitra**

£1,750

DESCRIPTION

Eames Aluminium Chair EA 101 by Charles & Ray Eames for Vitra.

Ideal for using in combination with tables: in comparison to the other models in the Aluminium Group, the EA 101 has a narrower and higher seat, a more upright backrest and shorter armrests. Thanks to a wide selection of colours, it's easy to find the perfect chair for any setting – from home dining rooms and restaurants to office meeting areas.

Chair with medium-high backrest, table-oriented sitting position.

The EA 101 chair has a non-swivel base and does not have armrests. For a version with armrests view the **EA 103** and for swivel base and armrests view the **EA 104**.

For more furniture in the Aluminium Group, see 'More products in this range' below.

Herman Miller have the sole license for the Charles and Ray Eames collection in the U.S. and the Far East. Therefore the export of these products from the UK to the U.S. is not possible. For more information please contact Herman Miller.

The Vitra original selection offers a 30-year warranty.

DIMENSIONS

50w x 44d x 42.5/84.5cmh

MATERIALS

Side profiles, spreaders and four-star base in die-cast aluminium in a chromed or polished finish.

Back-rest and seat upholstered in fabric and leather of the collection. Please see the downloadable fabric and leather swatches for upholstery options to explore the available options.

For leather options, the seat cover is leather and the reverse side is covered with Plano fabric.

Leather Premium F is a cowhide leather with a smooth finish and beautiful top sheen. It is dyed-through and has a light pigment. It is also eco-friendly as it's treated with an olive tree leaf tanning agent (a by product of the olive harvest). Choose from 22 different colours for this premium leather collection.
