DESCRIPTION

Eames EA 219 chair by Charles & Ray Eames for Vitra.

The Aluminium Chair is one of the greatest furniture designs of the 20th century. The Aluminium Chair stands out for its intelligent combination of materials. The covers are attached inside the aluminium profile sections and simply stretched over the frame, transforming them from mere coverings to a load-bearing part of the structure. It adapts to fit the body snugly and delivers great comfort, even without extensive upholstery.

This chair, as well as all others in the Eames Aluminium Group, includes a 30-year guarantee.

Herman Miller has the sole license for the Charles and Ray Eames collection in the U.S. and the Far East. Therefore the export of these products from the UK to the U.S. is not possible.

For more information please contact Herman Miller.

The Vitra original selection offers a 30-year warranty.
