

Eames Elliptical Table ETR, 1951

Designer: **Charles and Ray Eames**

Manufacturer: **Vitra**

~~Was £2,285~~ Now £1,942

DESCRIPTION

Eames Elliptical Table ETR by **Charles & Ray Eames** for **Vitra**.

This low coffee table with its elegant elliptical shape resembles a surfboard and was quickly given the nickname "surfboard table". With its double chromed base, the table formally references a theme repeatedly varied by the Eames, namely that of shaped steel rods welded together to make a fixed, static structure.

ETR = Elliptical Table Rod Base

Herman Miller has the sole license for the Charles and Ray Eames collection in the U.S. and Far East. Therefore export of these products from the UK to the U.S. is not possible.

For more information please contact Herman Miller.
