

Eames LSR Fibreglass Chair, 1950

Designer: **Charles and Ray Eames**

Manufacturer: **Vitra**

£800

DESCRIPTION

Eames LSR Fibreglass Chair by Charles + Ray Eames for Vitra.

Introducing the Compact LSR Chair - a beloved member of the iconic Fibreglass Chair family. Originally favoured by design legends Charles and Ray Eames, this chair was a popular choice for guest conversations in their legendary home, the Eames House in Pacific Palisades. Made for indoor use, the Fibreglass Chair LSR is a sophisticated seating option that exudes style and comfort.

Please note - Herman Miller has the sole license for the Charles and Ray Eames collection in the U.S. and the Far East. Therefore the export of these products from the UK to the U.S. is not possible.

The Vitra original selection offers a 10-year warranty.

Note: Chairs with chrome finish are not suitable for outdoor use.

DIMENSIONS

49w x 58.5d x 33.5/63cmh

MATERIALS

Dyed-through, glass-fibre reinforced polyester (fibreglass). Similar to the earliest version of the chair, the fibreglass shells are also slightly transparent in some colours. Available in 9 different colour options.

Wire base with cross struts, chrome-plated or powder-coated finish. The powder-coated version is suitable for outdoor use.

Base available in Chrome, powder-coated White or powder coated Basic Dark colour.

Glides available in black or white colour.
