DESCRIPTION

Eames LSR Plastic Chair by Charles + Ray Eames for Vitra.

Introducing the iconic Plastic Chair LSR, a beloved design of the legendary designers Charles and Ray Eames. This versatile chair was a staple in their famed home in Pacific Palisades, used for everything from casual conversation with guests to daily living. Made from high-quality plastic, this compact chair is perfect for both indoor and outdoor use. Bring a touch of timeless design to your home with the Plastic Chair LSR.

Please note - Herman Miller has the sole license for the Charles and Ray Eames collection in the U.S. and the Far East. Therefore the export of these products from the UK to the U.S. is not possible.

The Vitra original selection offers a 10-year warranty.

Note: Chairs with chrome finish are not suitable for outdoor use.

DIMENSIONS

49w x 59.5d x 33/62cmh

MATERIALS

The seat shell is made of dyed-through polypropylene. Available in 14 different colour options.

Wire base with cross struts, chrome-plated or powder-coated finish. The powder-coated version is suitable for outdoor use.

Base available in Chrome, powder-coated White or powder coated Basic Dark colour.

Glides available in black or white colour.

Note: Special additives retard the fading of colours due to UV radiation. However, if the chair is exposed to sunlight for prolonged periods, the colour may change over time. We recommend limited exposure to sunlight.
