

Eames Stools

Designer: **Charles and Ray Eames**

Manufacturer: **Vitra**

£1,425

DESCRIPTION

Eames Stools by **Charles & Ray Eames** for **Vitra**.

In 1960 the Eames office was commissioned by Time Inc. to fit out three lobbies in the Rockefeller Center in New York. As well as complete interior fixtures and fittings the project included the comfortable Lobby Chairs and a series of solid walnut stools. These turned stools which (as Ray Eames originally intended) can also be used as occasional tables have three different design details in their centre sections.

Available in three different variations: Model A, Model B and Model C.

Herman Miller has the sole license for the Charles and Ray Eames collection in the U.S. and the Far East. Therefore the export of these products from the UK to the U.S. is not possible.

For more information please contact Herman Miller.

DIMENSIONS

33dia x 38cmh

MATERIALS

Made from solid walnut, glued together in several layers, turned and finished with a clear lacquer.
