

Eames Wire Barstool

Designer: **Charles and Ray Eames**

Manufacturer: **Vitra**

£640

DESCRIPTION

Eames Wire Barstool by **Charles & Ray Eames** for **Vitra**.

The Eames Wire Barstool is a variation of Charles and Ray Eames' organically shaped, one-piece seat shell, widely considered one of the most prolific designs of the twentieth century. The wireframe provides the seat with light transparency and is complete with a footrest to maximise comfort.

The Barstool is also available with a seat and backrest cushion [here](#).

Herman Miller has the sole license for the Charles and Ray Eames collection in the U.S. and the Far East. Therefore, exporting these products from the U.K. to the U.S. is not possible.

The Vitra original selection offers a 10-year warranty.
