

Coconut Chair

Designer: **George Nelson**

Manufacturer: **Vitra**

~~Was £4,100~~ Now £3,485

DESCRIPTION

Coconut Chair by **George Nelson** for **Vitra**.

Nelson compared the Coconut Chair to a coconut cut up into eight sections. The Coconut Chair, however, reverses the colours: The outer plastic seat shell is white and the one-piece upholstery is available in different colours. The inviting and comfortable armchair gives users the freedom to sit in countless different positions.

View the available upholstery fabric and leather finishes in the pdf in the download section. Material samples are available to view at our shop and showroom.

Fitted with plastic glides suitable for carpet; felt glides for hard floors optionally available.

Herman Miller has the sole license for the George Nelson collection in the U.S. and the Far East. Therefore the export of these products from the UK to the U.S. is not possible.

For more information please contact Herman Miller.

DIMENSIONS

104w x 83d x 26.5/83.5cmh

MATERIALS

Shell in fibreglass reinforced plastic, chrome plated tubular steel legs.
Seat pad upholstered in Hopsak fabric or Leather Premium F collection.

Leather Premium F is a cowhide leather with a smooth finish and beautiful top sheen. It is dyed-through and has a light pigment. It is also eco-friendly as it's treated with an olive tree leaf tanning agent (a by product of the olive harvest). Choose from 22 different colours for this premium leather collection.
