DESCRIPTION

Omar the Owl clock by **George Nelson** for **Vitra**.

As a truly multi-talented designer, George Nelson was also successful as a graphic designer. His Zoo Timers - strongly colourful personalities from the animal kingdom - contrast sharply with his sculptural wall clocks from the 1950s thanks to their graphic touch. The Zoo Timers offer children a playful and enjoyable approach to telling the time.

Herman Miller has the sole license for the George Nelson collection in the U.S. and the Far East. Therefore the export of these products from the UK to the U.S. is not possible.
