

Landi outdoor chair, 1938

Designer:**Hans Coray**

Manufacturer:**Vitra**

£889

DESCRIPTION

Landi outdoor chair by **Hans Coray** for **Vitra**.

Lightweight, stackable aluminium outdoor chair with 'hole-punched' seat shell.

The minimal, understated, classic design was developed for the 1939 Swiss National Exhibition and stands as an important piece in twentieth-century design.

The Vitra original selection offers a 10-year warranty.

DIMENSIONS

51.5w x 65d x 47.5/79.5cmh

MATERIALS

One continuous piece of U-shaped aluminium on either side cleverly forms both the arms and legs, connected by welded crossbeams to provide a self-supporting frame for the moulded seat shell.

Matt anodized aluminium finish. Light grey glides.
