

Polder Sofa, 2006

Designer: **Hella Jongerius**

Manufacturer: **Vitra**

£6,350

DESCRIPTION

Polder Sofa by **Hella Jongerius** for **Vitra**.

In Holland “Polder” refers to the artificial land reclaimed from the sea by means of dykes and drainage canals. The body of the Polder Sofa is just as low-lying, just as flat, and has just as much emphasis on the horizontal.

Hella Jongerius carefully selected four colour combinations and fabric qualities for this design, accentuating them with high-tech threads and large buttons made of natural materials.

DIMENSIONS

260w x 97d x 35/82cmh

MATERIALS

Structural frame in wood. Seat cushions in polyurethane foam with interactive pocket spring core, chamber cushioning (filled with foam cubes and feathers) and polyester fleece. Polyurethane foam back cushions with

polyester fleece and chamber cushioning (filled with foam cubes and feathers).

Detached bolster, freely positionable, sand-weighted, polyurethane foam filled armrest cushion.

Removable cover in coordinated combinations of various colours and fabric types.

For more information regarding left or right-hand armrests, full specification and fabric information please enquire for details, or view the pdf in the download section to explore the available options.
