**Noguchi coffee table** by **Isamu Noguchi** for **Vitra**.

Noguchi described this coffee table as his best furniture design, no doubt because it is extremely reminiscent of his earlier biomorphic bronze and marble sculptures. The glass tabletop rests on two identical wooden elements, making this a perfect sculptural centrepiece to the living room.

Herman Miller has the sole license for the Isamu Noguchi collection in the U.S. and the Far East. Therefore the export of these products from the UK to the U.S. is not possible.
