

HAL RE Armchair Tube stackable, 2014

Designer: **Jasper Morrison**

Manufacturer: **Vitra**

£450

DESCRIPTION

HAL RE Armchair Tube stackable by **Jasper Morrison** for **Vitra**.

Jasper Morrison has added a new option to the HAL chair family: the HAL Armchair. Based on the HAL seat shell, he developed an organic one-piece shell that takes on a distinctive look of its own with the curved armrests 'growing' out from the sides – while still bearing a clear family resemblance to the rest of the line. The shell construction responds to the physical forces operating on the seat and provides maximum stability and superb comfort with a minimum amount of material.

DIMENSIONS

62.5w x 51d x 79.5cmh

MATERIALS

Stackable four-legged tubular steel base with chrome-plated finish. Dyed-through recycled polypropylene seat in a range of colours.

Castors or glides for hard or soft floors.

Please note: HAL Armchairs with seat cushions are non-stacking.
