Ex-display items have some signs of use and we recommend a detailed condition report prior to purchase.

This item is a one-off ex-display item to be sold on a first order, first served basis.

With HAL, Jasper Morrison has created a new interpretation of the multifunctional shell chair, as well as a broad chair range with a distinct, contemporary look. The shape of the HAL shell provides plenty of freedom of movement and is slightly yielding to permit a number of seating positions – including sideways and astride – to ensure a dynamic and ergonomic posture.

The variety of bases, materials and colours in the HAL range enable a range of possible combinations that can be used for many different purposes both in the office and public spaces as well as at home.

Available in dark oak with chrome legs.

DIMENSIONS

55.5w x 50.5d x 78.5cmh

MATERIALS

HAL Ply Tube has a four-legged base in tubular steel, non-stackable, which is chrome-plated with shell in plywood dark oak with a protective varnish, or walnut black-pigmented.
