

## HAL Soft Tube chair, 2021

Designer: **Jasper Morrison**

Manufacturer: **Vitra**

£639

## DESCRIPTION

**HAL Soft Tube chair** by **Jasper Morrison** for **Vitra**.

Jasper Morrison has added a new option to the HAL chair family: the HAL Soft Tube chair. Based on the HAL seat shell, the chair features rounded contours bearing a clear family resemblance to the rest of the line. The shell construction responds to the physical forces operating on the seat and provides maximum stability and superb comfort with a minimum amount of material.

Available in a chrome-plated or powder-coated base finish with upholstery option in four different fabric options.

Non-stackable.

## DIMENSIONS

50.5w x 53d x 74/80.5cmh

## MATERIALS

Non-stackable tube base in powder-coated basic dark textured finish or in chrome finish.

Seat shell made from glass-fibre reinforced polyamide. Polyurethane foam padding with replaceable fabric cover.

Seat upholstered in four different fabric groups. See image or downloadable product information for colour samples.

Glides for hard or soft floor.

See downloadable product information to explore the available upholstery options.
