

Moca chair, 2020

Designer: **Jasper Morrison**

Manufacturer: **Vitra**

£469

DESCRIPTION

Moca chair by **Jasper Morrison** for **Vitra**.

The robust and parred back Moca chair is Jasper Morrison's continuation of his 'super normal' design principal where he fuses high-quality materials with an understated aesthetic to create a useful product to be used for years to come.

The Moca chair is an expression of British designer Jasper Morrison's 'super normal' approach to design: understated, useful and responsible. It follows that Moca is nothing new and revolutionary, but unites the accumulated knowledge of an experienced designer with Vitra's manufacturing expertise – and also has such an unassuming appearance that it seems to have always existed. The combination of these aesthetic features with particularly durable, high-quality materials ensures an unusually long.

DIMENSIONS

50w x 48.5d x 35/79cmh

MATERIALS

The seat and back are made of moulded plywood veneer in natural oak or dark-stained oak, both with a protective natural lacquer finish. Stackable metal base (up to 6 chairs), chrome-plated or powder-coated finish. View the pdf in the download section to explore the variety of finish options available.
