

Occasional low table, 2016

Designer: **Jasper Morrison**

Manufacturer: **Vitra**

£510

DESCRIPTION

Occasional low table by **Jasper Morrison** for **Vitra**

The Occasional low tables are of an understated yet carefully crafted design which exemplifies Jasper Morrison's philosophy of the 'super normal'. These tables are decorative yet practical: the die-cast aluminium base plates, with their elegant lines and harmonious radial dimensions, can be slid underneath low sofa frames. These features make the Occasional low tables indispensable companions for daily living.

The small tables are available in three heights – from the level of a low occasional table to a standard sideboard.

DIMENSIONS

Low: 50dia x 35cmh

Regular: 50dia x 45cmh

High: 50dia x 55cmh

MATERIALS

Table base is aluminium powder-coated chocolate.

Bevelled-edge table tops in aluminium powder-coated chocolate, oiled natural oak, oiled smoked oak, or oiled American walnut.

Please see pdf in 'Product downloads' to see the metal colours and wood finishes available.
