

## Tabouret N° 307, 1951

Designer: **Jean Prouvé**

Manufacturer: **Vitra**

£725

### DESCRIPTION

**Tabouret N° 307 by Jean Prouvé for Vitra.**

Developed by Jean Prouvé along with various other stools in the 1950s that he named with different numbers, Tabouret N° 307 is now available for purchase. The seat features a tractor saddle-like shape without holes similar to the seats in the lecture theatre he designed at Aix-Marseille University around the same time.

Unlike the original, which used stamped aluminium sheeting, the new Vitra Tabouret N° 307 seat is crafted from solid oak with interesting contrasting tubular steel legs. Available in two different finishes: with the seat in light oak and base in Prouvé Blanc Colombe or with the seat in dark oak and base in deep black.

### DIMENSIONS

45.5w x 38d x 38/44.5cmh

### MATERIALS

Base: Steel, powder-coated finish.

Seat: Solid natural oak with oiled finish or solid dark stained oak with clear protective lacquer finish.

Plastic glides included.
