

Tabouret Métallique - Ex-Display

~~Was £635~~ Now £379

DESCRIPTION

Tabouret Métallique by **Jean Prouvé** for **Vitra**.

Ex-display item reduced by 40%

£635 -40% now £379

Ex-display items have some signs of use and we recommend a detailed condition report prior to purchase.

This item is a one-off ex-display item to be sold on a first order, first served basis.

First designed along with two other proposed models in metal in 1936 by Jean Prouvé for the Maison d'éducation surveillée de Saint-Maurice, the Tabouret Métallique never actually went into production until now. For the first time, the metal tabouret is being produced by Vitra with bent sheet metal underframe construction and shares structural similarities with the later Trapèze table.

Tabouret Métallique is a functional stool that can also be used as a small side table.

DIMENSIONS

28.5/35dia x 44.5cmh

MATERIALS

Made from bent sheet steel, powder-coated finish in prouve blue. Plastic glides included.
